C:\Users\kimng>cd/

C:\>cd C:\Users\kimng\Documents\BootcampAssignments\Assignment1

C:\Users\kimng\Documents\BootcampAssignments\Assignment1>node server.js
Server Started!
Server listening on: http://127.0.0.1:8080
```

## Test results

```
C:\Users\kimng\Documents\BootcampAssignments\Assignment1>mocha server.test.js

  UF Directory Server Unit Tests
    Server responds to requests
      ✓ should respond
    Server provides listing data as JSON on proper request
      ✓ responds correctly to a GET request to "/listings"
      ✓ responds with a 404 error to other GET requests

  3 passing (65ms)
